

4-5 YEARS | WEEK 01

Maths - Shapes

1. Identify

2. Shapes of objects

3. Create an object

4. Imagination in shapes

5. 2d and 3d shapes

6. Choose and circle - Triangles

7. Observe and repeat

8. Shapes - Trace

9. Find a match - Same Shape

10. Cut and Paste - Complete the shape

11. Introducing Mini

12. Introducing Mini's family 1

13. Introducing Mini's family 2

14. Introducing Mini's family 3

15. Introducing Mini's family 4

16. Count and color - Triangles

17. Water sports: Surfing

18. Count and write - Number of Sides

19. Color the triangles

20. Pick and count - Lines

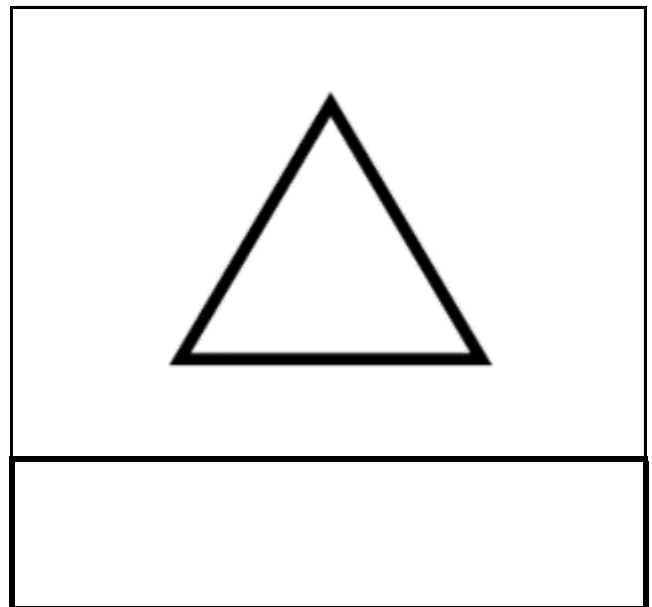

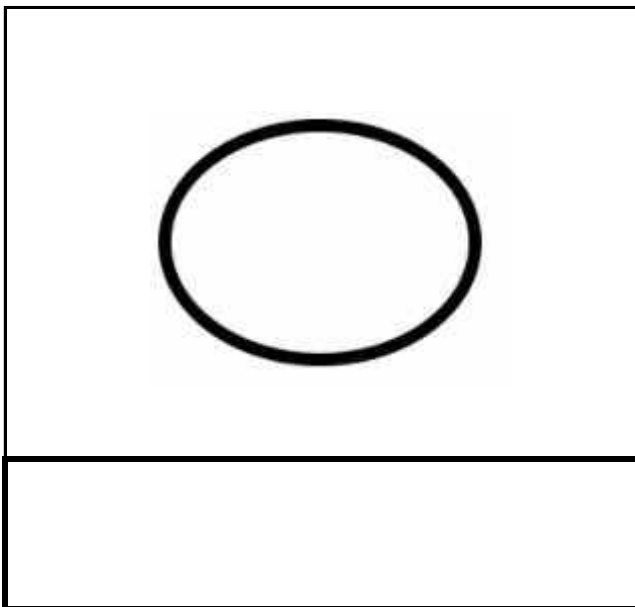

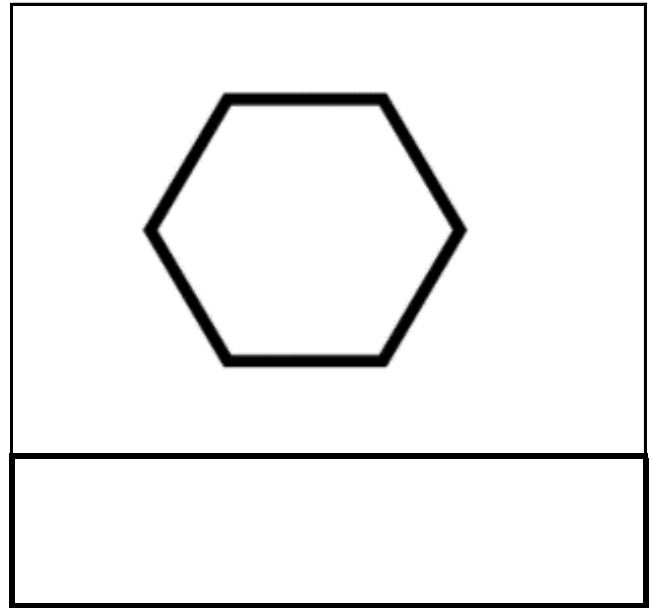

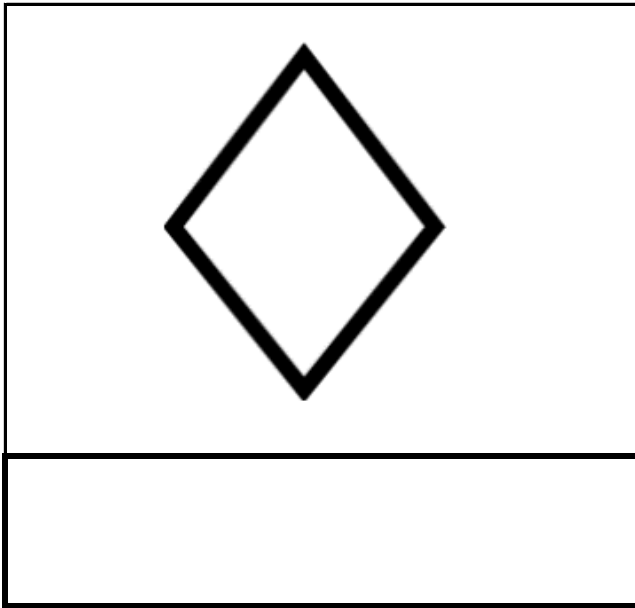

Hello children! We are Dholu-Bholu.
Our friends and we will be your fun-learning partners
for the MATHS series!

Shapes: Identify

With the help of an adult, cut out the names of the shapes along the dotted lines given below and paste them according to the images of the shapes given in the boxes.

hexagon

triangle

oval

diamond

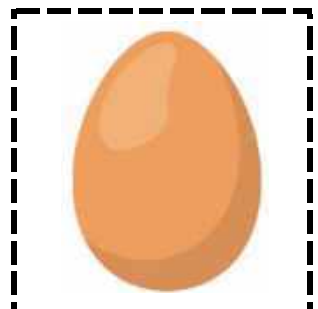

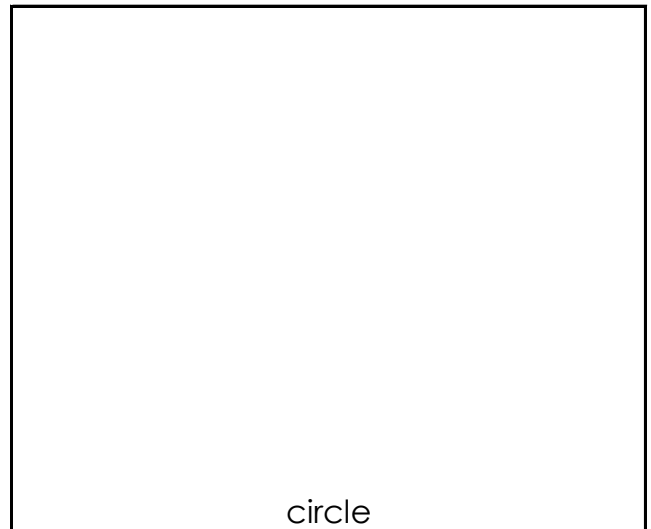

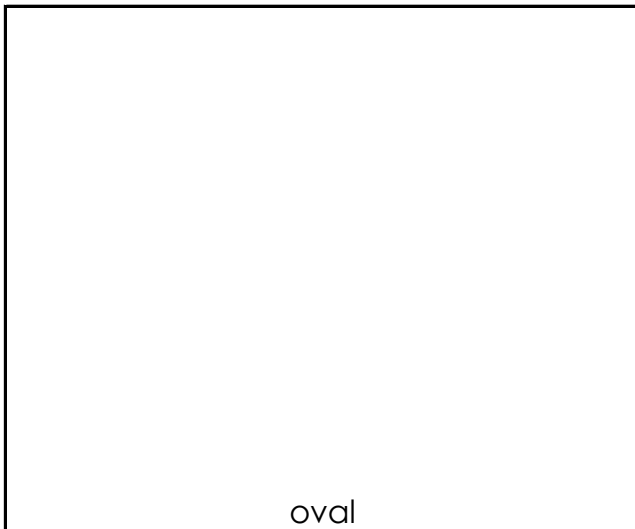

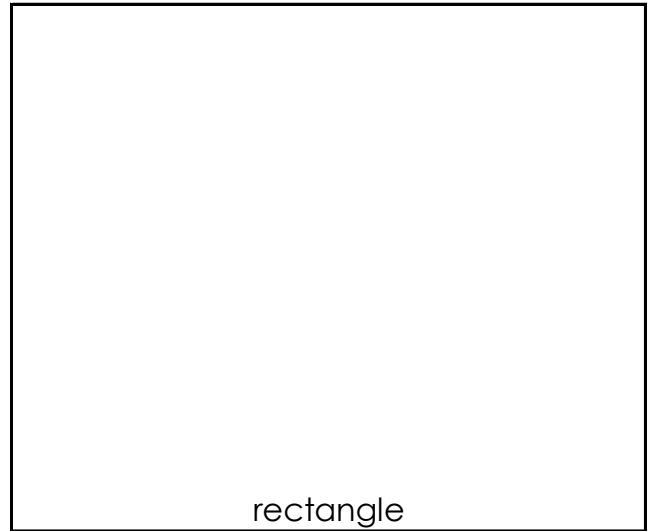

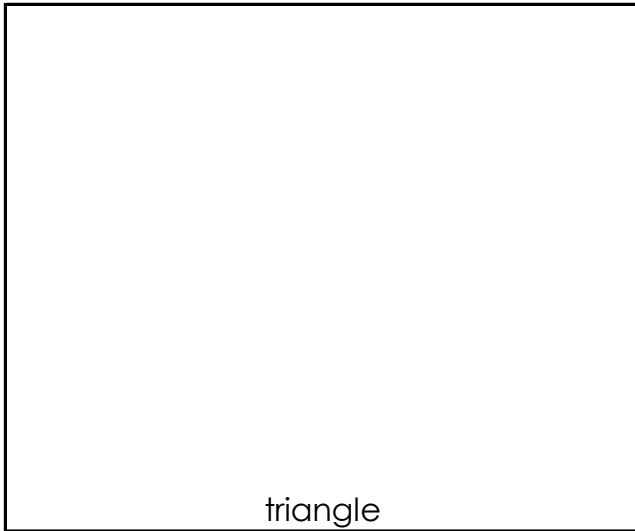

Hello children! We are Dholu-Bholu.
Our friends and we will be your fun-learning partners
for the MATHS series!

Shapes: Shapes of objects

With the help of an adult, cut out the images of the objects along the dotted lines given below and paste them according to the names of the shapes given in the boxes.

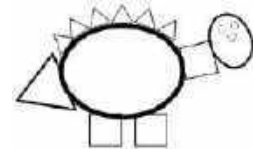

Hello children! We are Dholu-Bholu.
Our friends and we will be your fun-learning partners
for the MATHS series!

Shapes: Create an object

Can you create an object using the basic shapes? Draw any shapes to create an animal.
An image of a dinosaur is given as a reference. Get creative!!!

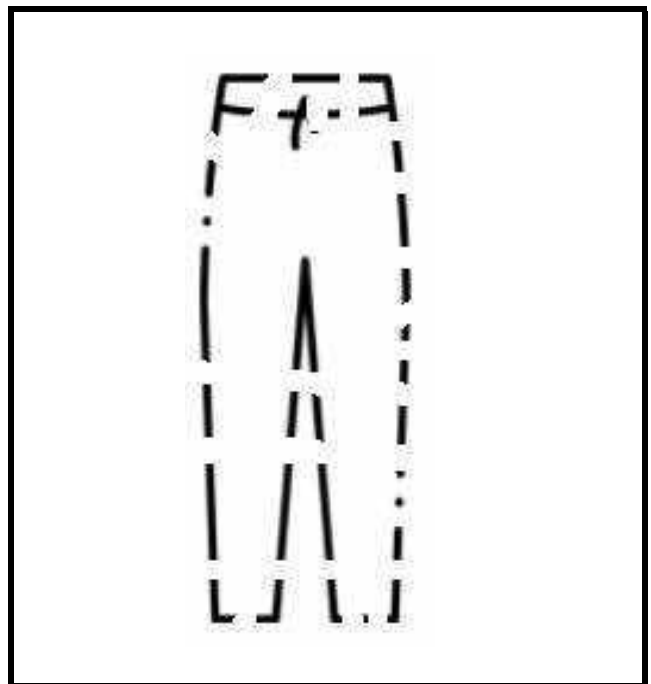

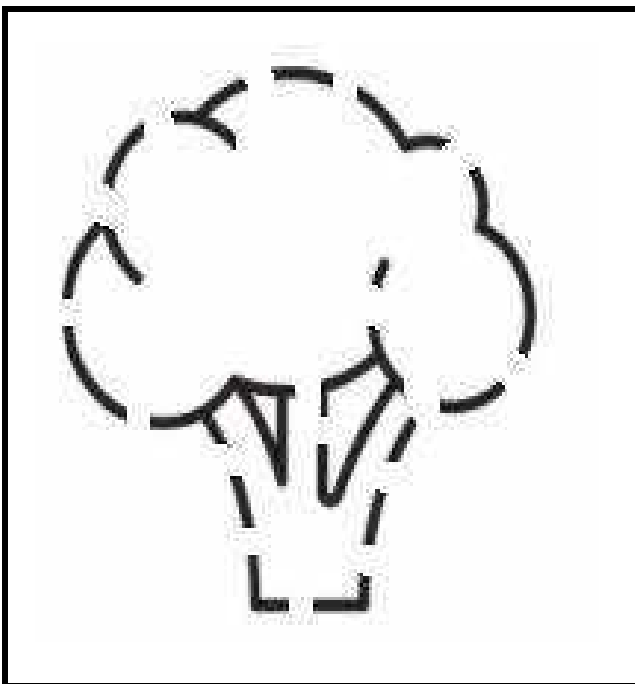

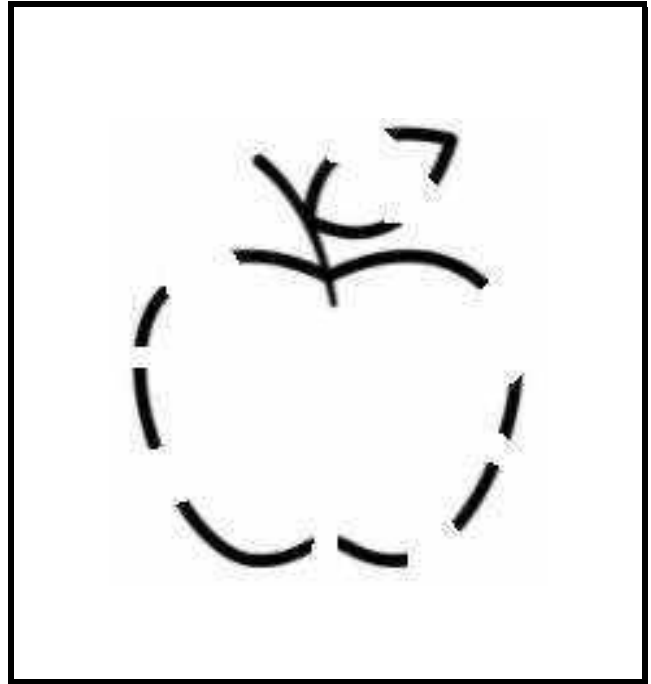

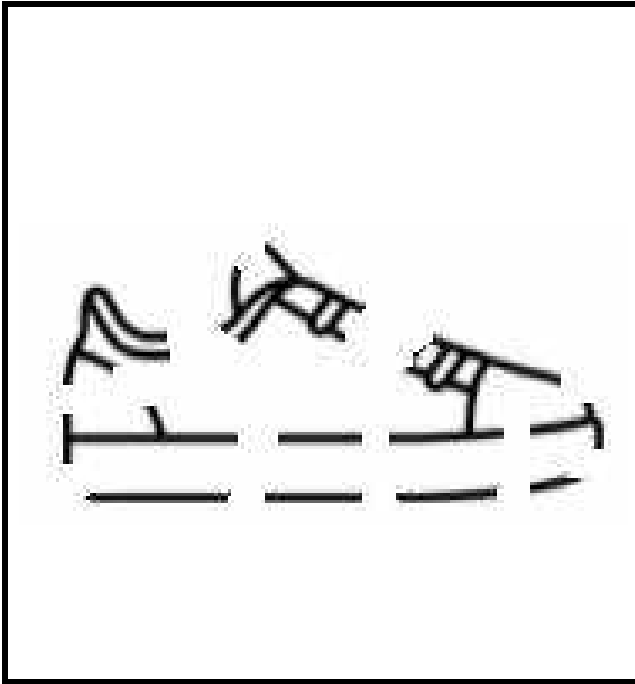

Hello children! We are Dholu-Bholu.
Our friends and we will be your fun-learning partners
for the MATHS series!

Shapes: Imagination in shapes

Use your imagination to complete the picture in the boxes given below. You can even colour them.

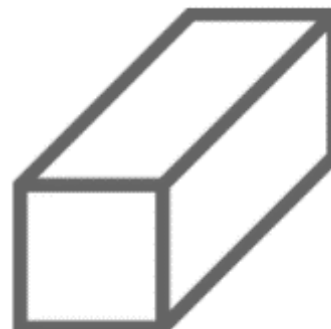

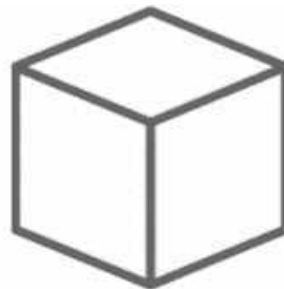

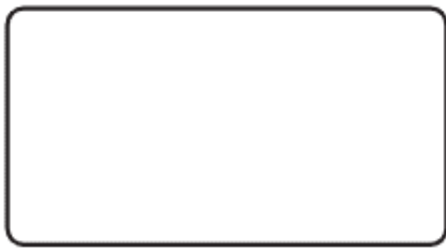

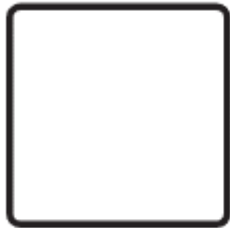

Hello children! We are Dholu-Bholu.
Our friends and we will be your fun-learning partners
for the MATHS series!

Shapes: 2d and 3d shapes

Can you find a difference between a 2d and a 3d shape? Match the image of the 2d object to its equivalent 3d object.

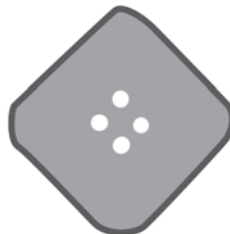

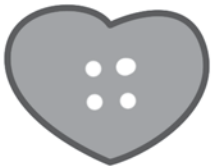

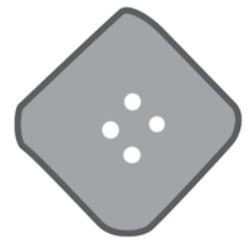

Choose and circle

Buttons come in many shapes and colours. Look for the buttons that are shaped like triangles, and circle them.

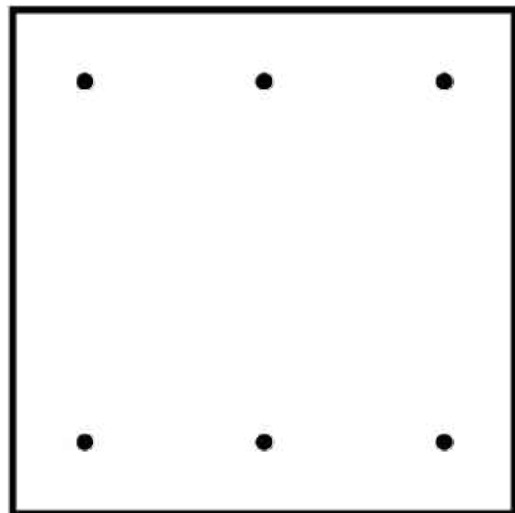

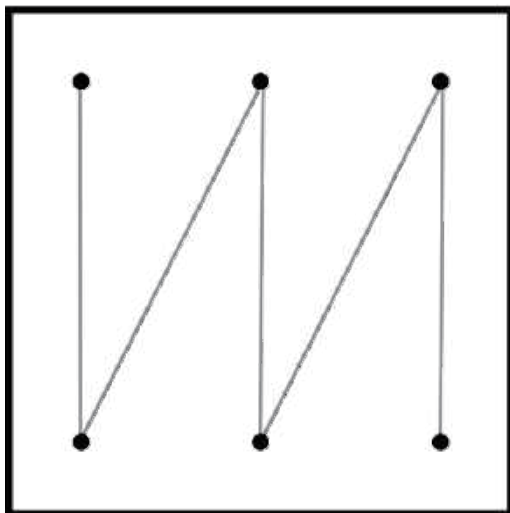

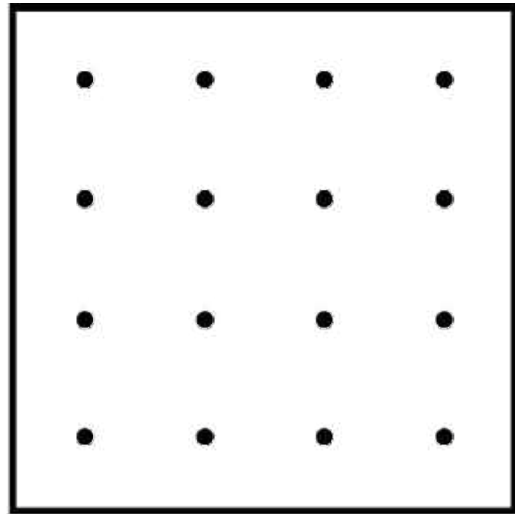

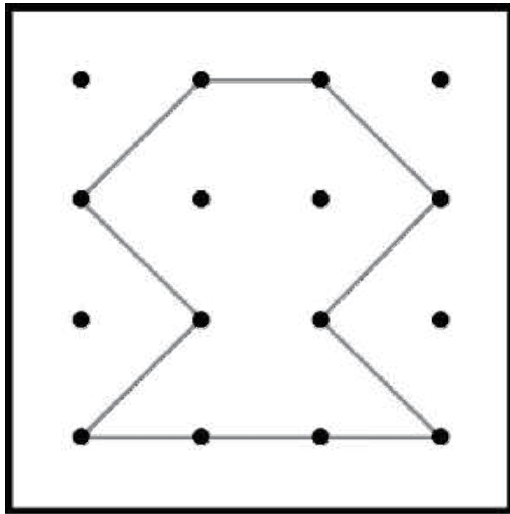

Observe and repeat

Observe and repeat the pattern.

Shapes

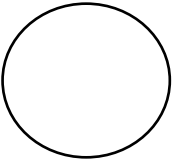

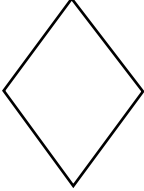

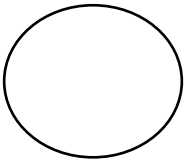

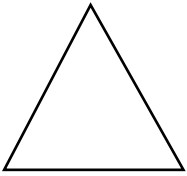

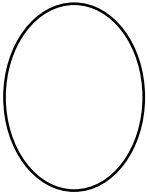

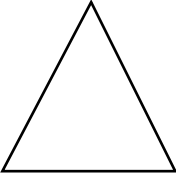

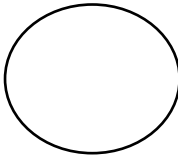

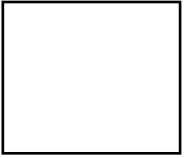

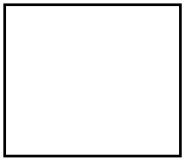

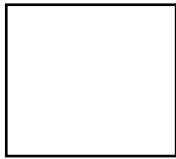

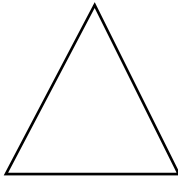

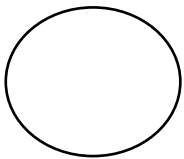

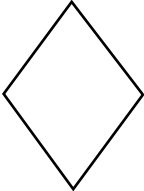

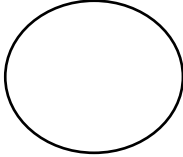

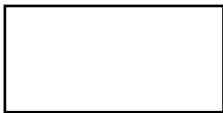

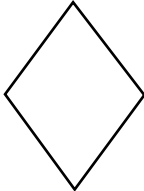

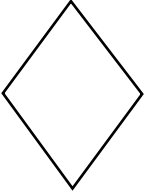

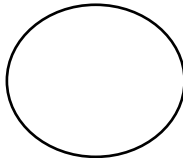

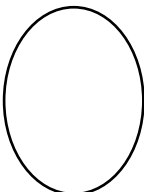

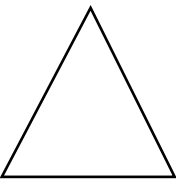

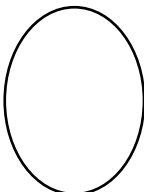

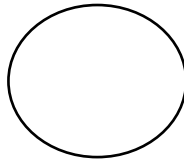

Help Mini and Guddu trace the shapes. You can also color the different shapes with different colors.

Find a match

Help Mini and Guddu find and color the similar shape in the box.

				
				
				
				
				
				

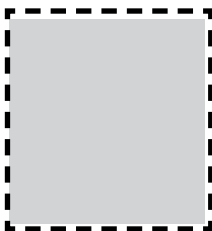

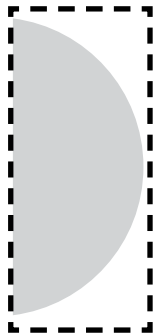

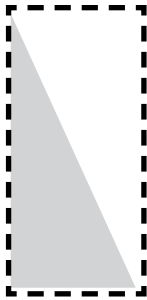

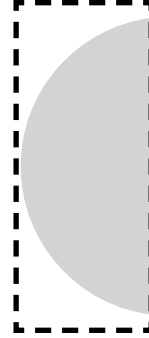

Cut and Paste

Help Mini and Guddu cut the half shapes and join them to make a complete shape.

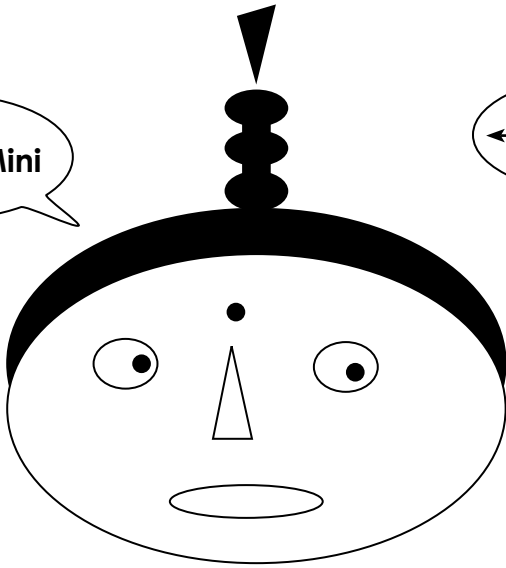

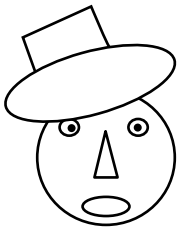

Introducing Mini

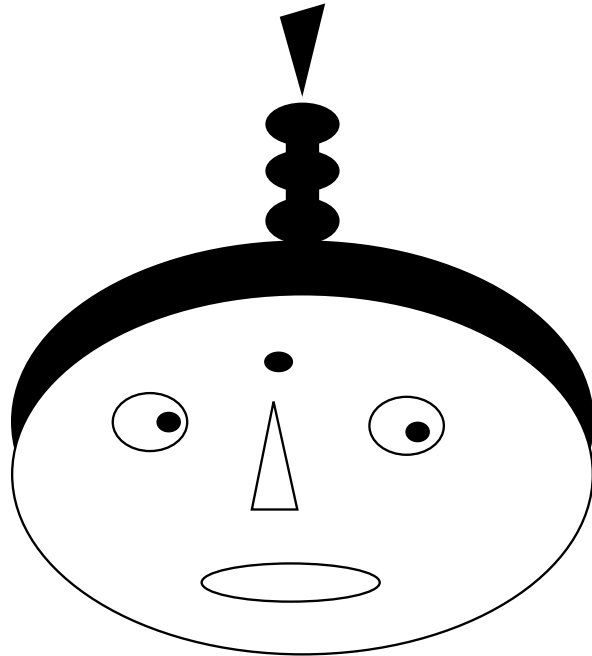

Hi! I am Mini

← This is Mini

Observe Mini's face given on the right carefully and draw any two shapes that you see on Mini's face in the boxes given on the left.

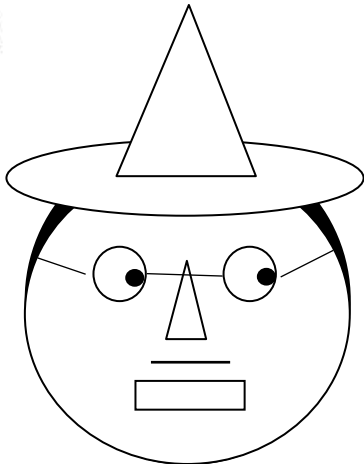

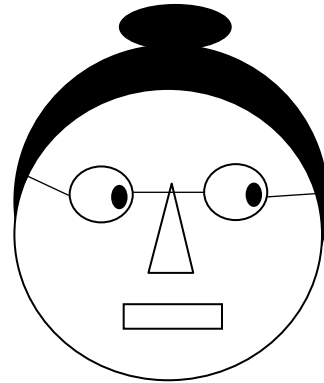

Introducing Mini's family

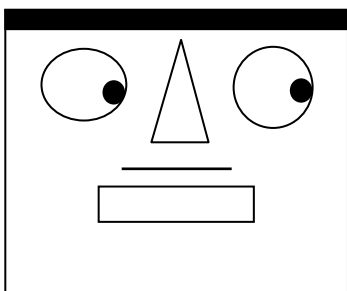

Let us meet Mini's family.

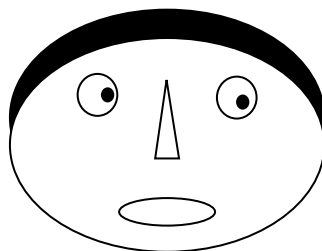

Mini's grandfather

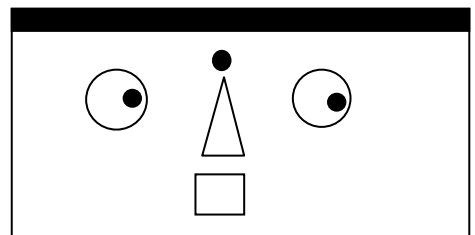

Mini's grandmother

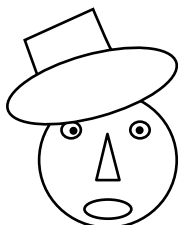

Mini's father

Mini's brother

Mini's mother

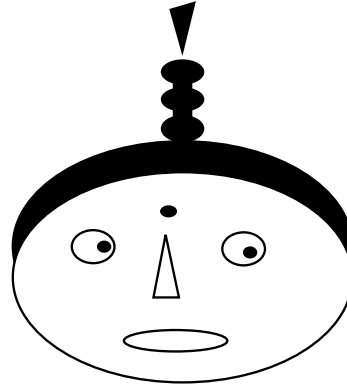

Draw big circles around the faces that are circle in shape.

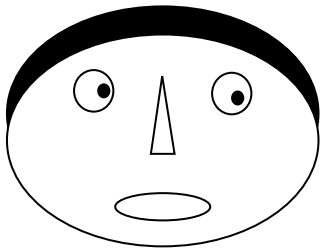

Introducing Mini's family

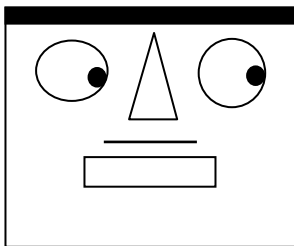

Draw big ovals around the faces that are oval in shape.

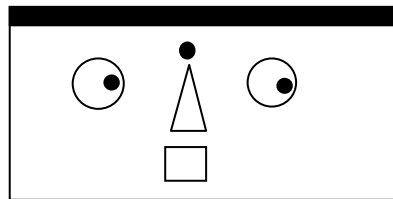

Mini

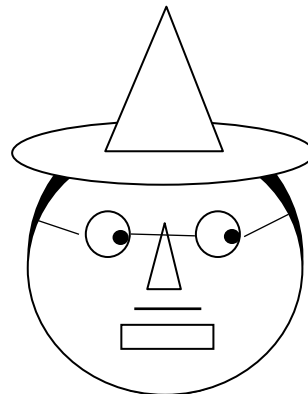

Mini's brother

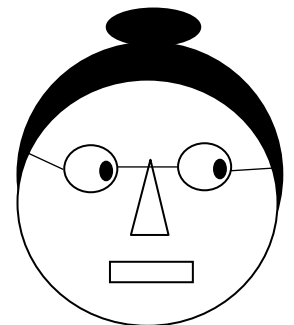

Mini's father

Mini's mother

Mini's
grandfather

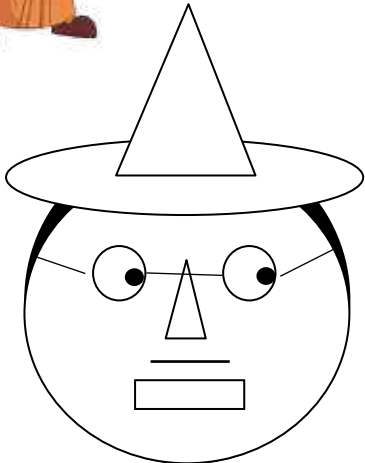

Mini's
grandmother

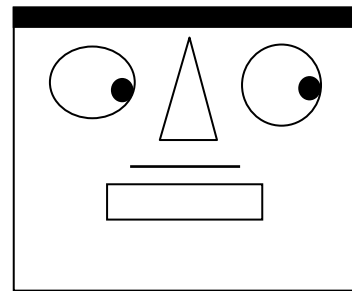

Introducing Mini's family

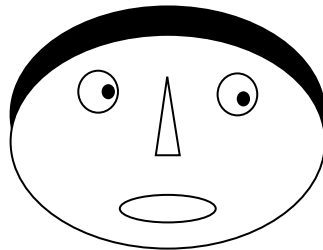

Draw a big square around the faces that are square in shape.

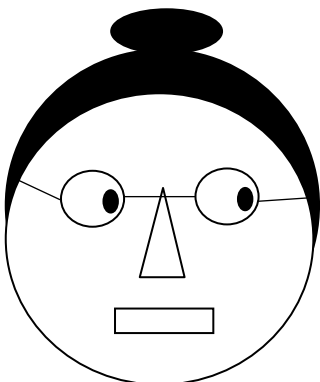

Mini's grandfather

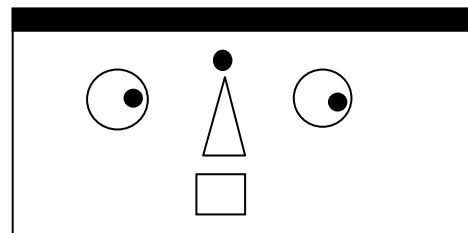

Mini's father

Mini's brother

Mini's grandmother

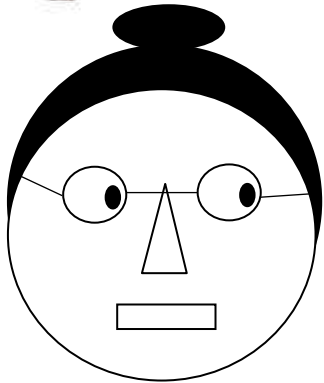

Mini's mother

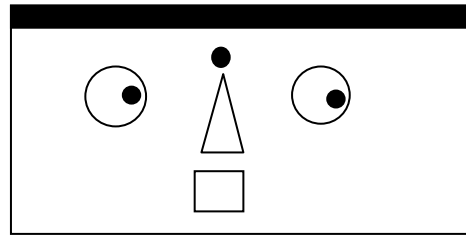

Introducing Mini's family

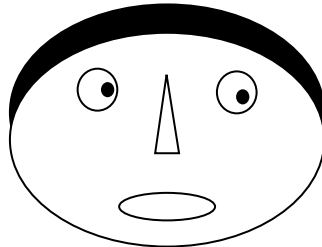

Draw a big rectangle around the faces that are rectangle in shape.

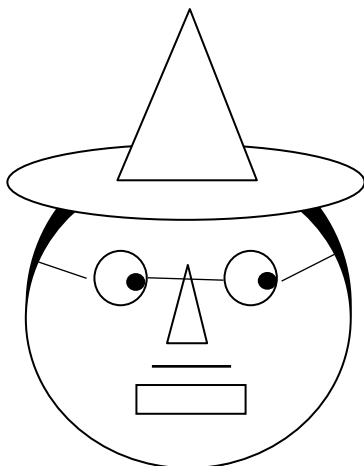

Mini's grandmother

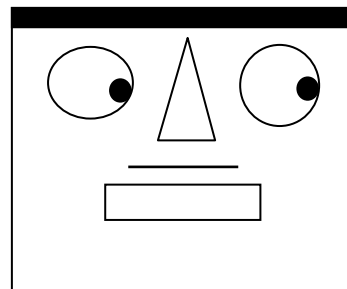

Mini's mother

Mini's brother

Mini's grandfather

Mini's father

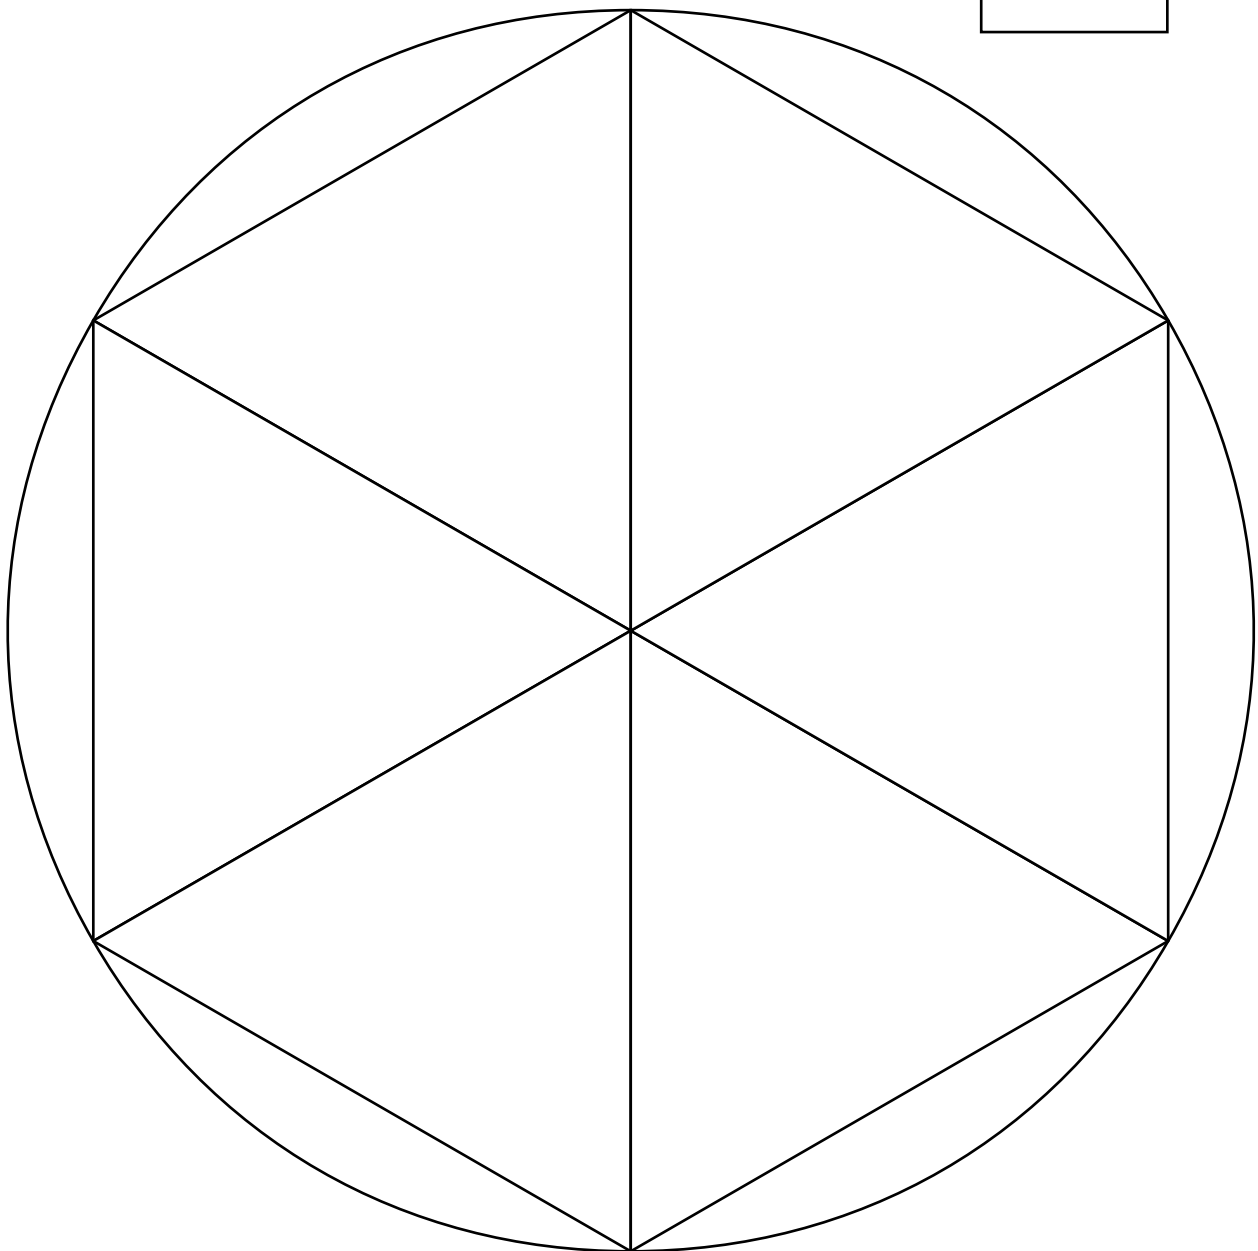

Count and color

Count the number of triangles in the below diagram and color them.

Number of triangles.

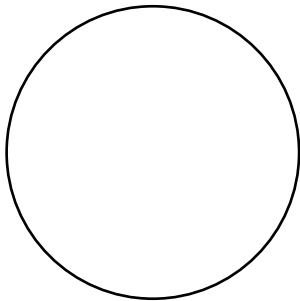

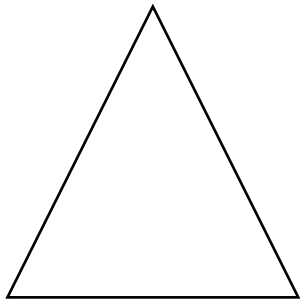

Count and write

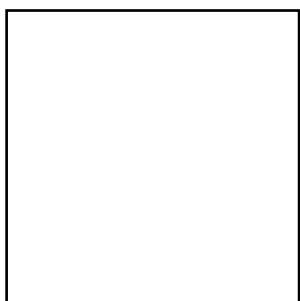

Color the number that shows the correct number of sides for the given shapes.

4	2	0	3
---	---	---	---

3	5	2	1
---	---	---	---

3	5	4	2
---	---	---	---

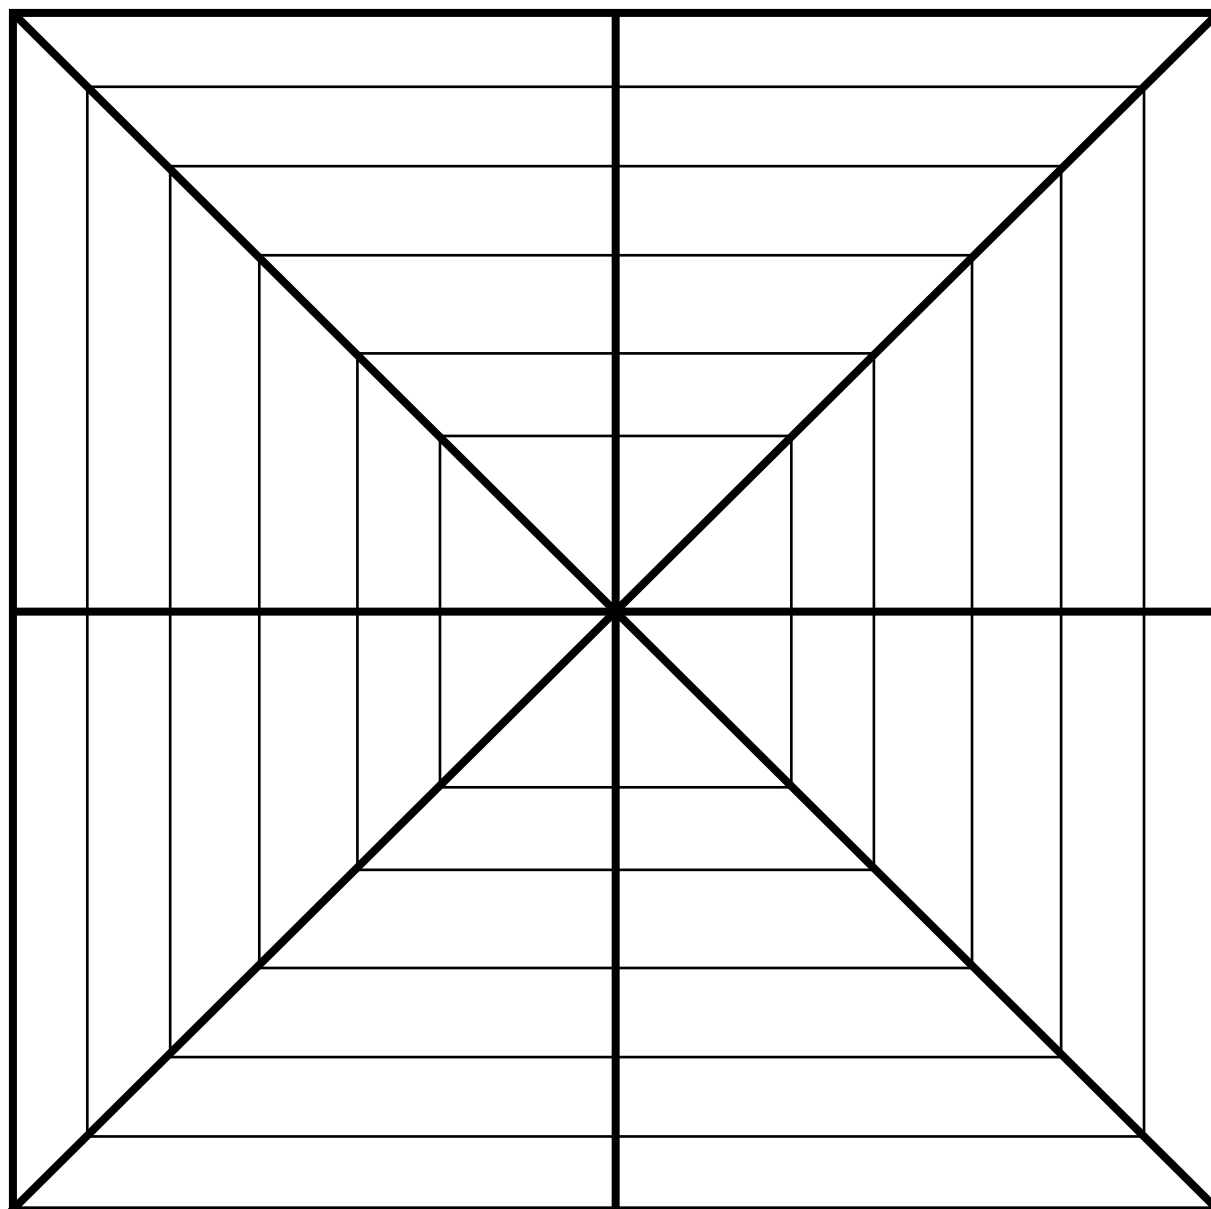

4	2	0	3
---	---	---	---

Color the triangles

Color as many triangles as you can find in the picture given below. Preserve the sheet and go through it daily. See if you can find a new triangle every day.

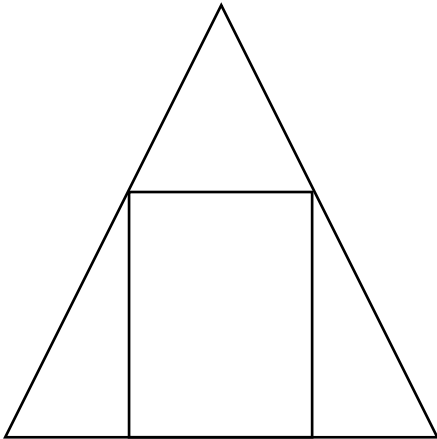

Pick and count

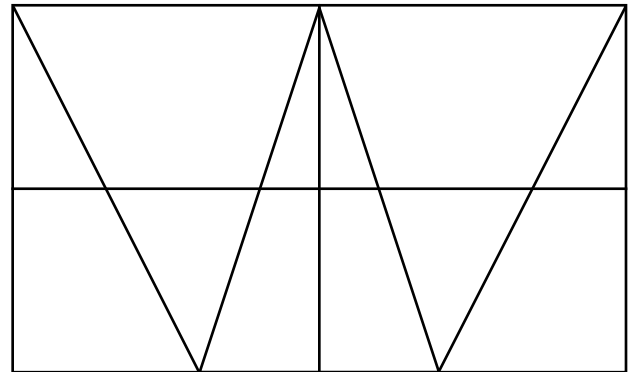

Count and write the number of standing lines, slanting lines, and sleeping lines.

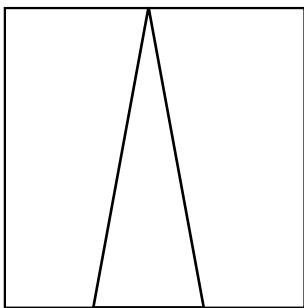

1.

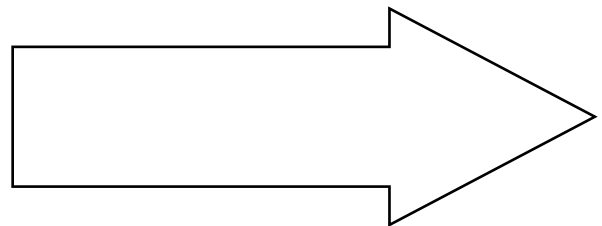

2.

3.

4.

	Standing lines	Slanting lines	Sleeping lines
1.			
2.			
3.			
4.			

Hello children. I am Bheem.
I will be your fun-learning
partner for this week.

Show Bheem how creative you are. Draw and color happy and sad faces of different shapes in the space given below.
