Hello children! I am Kalia.  
My friends and I will be your fun-learning partners  
for the SPORTS series!

## Winter sports: Skiing

Skiers attach skies to their shoes or boots and use them to glide over snow. Two images of skiing are given below. Find the difference between the images.

for the SPORTS series!

## Winter sports: Ice skating

Ice skaters glide across ice wearing skates. Skates are shoes or boots with metal blades attached to the bottom. Match the skating shoes to their pair by drawing a line between them.
