

Scrapbooking: Mini Book

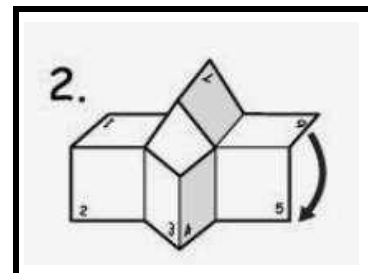

Let's make a mini-book out of a sheet of paper. You need A4 size paper, scissors, and a stapler. Follow the instructions given below. You can also reuse this sheet.

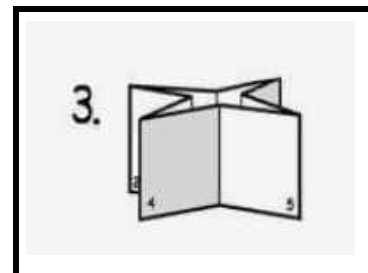

1. Fold the A4 size sheet into eights. Unfold the paper. You will see 8 panels. Fold the paper in half again. Cut the paper as shown in the image.

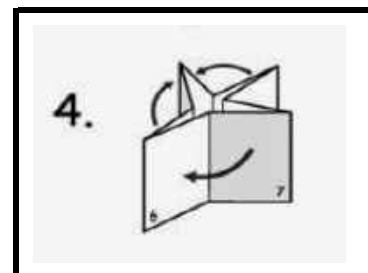

2. Repeat your very first fold. The cut part of the paper should fall along the middle of the folded edge.

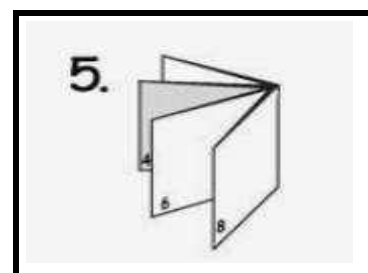

3. Turn your paper so that the cut edge is upside.

4. Then push the two ends toward each other. Separate the two middle joints from each other.

5. Flatten your book. You can use stapler to bind it.

Scrapbooking: Nature scrapbook

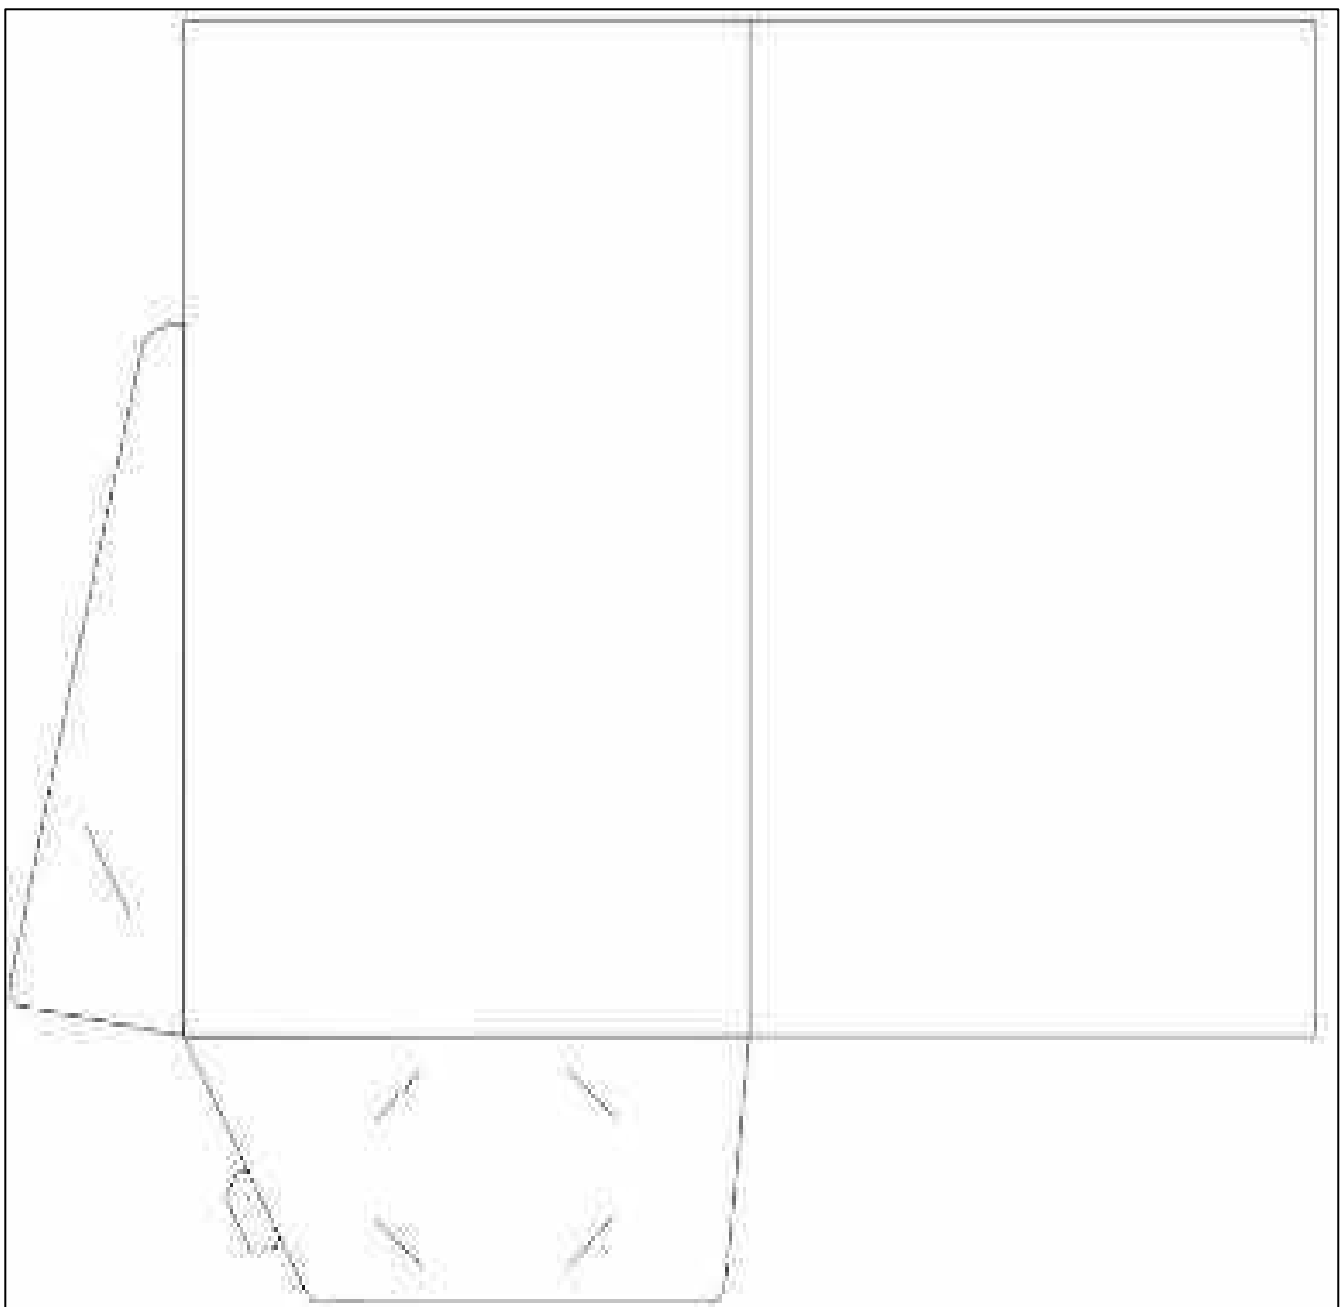

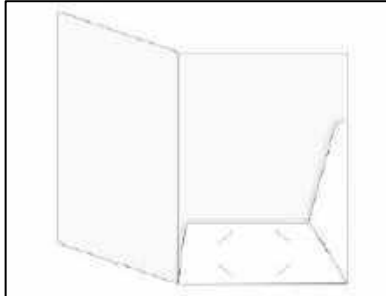

Instructions: Let's create a scrapbook on nature. Go for a walk and observe the different types of leaves. You can click the picture or draw them in the boxes given below. Also write the name of the plants or trees.

A large empty rectangular box intended for drawing a leaf.A small empty rectangular box intended for writing the name of the plant.A large empty rectangular box intended for drawing a leaf.A small empty rectangular box intended for writing the name of the plant.A large empty rectangular box intended for drawing a leaf.A small empty rectangular box intended for writing the name of the plant.A large empty rectangular box intended for drawing a leaf.A small empty rectangular box intended for writing the name of the plant.A large empty rectangular box intended for drawing a leaf.A small empty rectangular box intended for writing the name of the plant.A large empty rectangular box intended for drawing a leaf.A small empty rectangular box intended for writing the name of the plant.
